¹ When Respondents filed their *sua sponte* submission, the earliest statute of limitations ("SOL") date was January 1, 2018. Respondents executed three tolling agreements adding 365 days to the SOL. See Consent To Extend the Time to Commence a Civil Enforcement Action, Suit, or Proceeding ("Tolling Agreement") (May 9, 2018); Second Tolling Agreement (July 9, 2018); Third Tolling Agreement (Sept. 4, 2018).

I. INTRODUCTION

The International Council of Shopping Centers, Inc. ("ICSC") and ICSC Political Action Committee ("ICSC PAC") (collectively "Respondents") submitted a *sua sponte* submission ("Submission") acknowledging that ICSC improperly deposited into ICSC PAC's federal account corporate funds totaling \$343,979. Respondents also acknowledge the untimely transfer and deposit of PAC contributions and the inaccurate reporting of the PAC's cash-on-hand balances over a five-year period.² As discussed below, we recommend that the Commission: (1) open a MUR; (2) find reason to believe that ICSC violated 52 U.S.C. §§ 30118(a) and 30102(b)(2) and 11 C.F.R. §§ 102.6(c)(4) and 102.8(b); (3) find reason to believe that ICSC PAC violated 52 U.S.C. §§ 30118(a), 30102(b)(2) and 30104(b) and 11 C.F.R. § 102.6(c)(1); and (4) authorize pre-probable cause conciliation with the Respondents and approve the attached conciliation agreement.

II. FACTUAL AND LEGAL ANALYSIS

A. Factual Background

ICSC is an incorporated trade association that represents more than 70,000 members of the retail real estate industry.³ ICSC PAC is the separate segregated fund ("SSF") of ICSC and is registered with the Commission as a multi-candidate political committee.⁴

As discussed in further detail below, the violations described in the submission largely relate to two types of errors. First, corporate funds were improperly classified as PAC

1 contributions and deposited into the PAC's federal account instead of its administrative account.⁵
2 Second, individual contributions were improperly classified as administrative donations and
3 deposited into the PAC's administrative account.⁶ The source of the error was traced to ICSC's
4 membership services department, which did not uniformly follow proper procedures for handling
5 PAC-related funds when members paid their annual association membership fees and
6 contributed to the PAC at the same time.⁷

7 According to Respondents, ICSC PAC solicits voluntary contributions from members at
8 the same time those members renew their ICSC memberships.⁸ They explain that a typical ICSC
9 dues renewal form for an affiliate member stated that a one-year renewal cost \$125, and it
10 suggested an additional \$25 contribution to ICSC PAC.⁹ If a member paid by credit card, the
11 member indicated whether the payment was from individual funds or a corporate credit card by
12 marking a box beside the words "Check here if this is a corporate card."¹⁰ The membership
13 renewal forms informed members that voluntary contributions made to ICSC PAC with
14 corporate funds would be designated to ICSC PAC's administrative account, which is a non-
15 federal account.¹¹

1 In late 2016, ICSC PAC's reporting vendor identified some discrepancies between the
2 PAC's bank records and the cash-on-hand balance reported to the Commission, and in 2017
3 Respondents hired an independent firm to conduct an audit, and it consulted a law firm.¹²
4 ICSC's investigation determined that ICSC's membership services department did not uniformly
5 follow proper procedures for handling PAC-related funds when members paid their annual
6 association membership fees and contributed to the PAC at the same time.¹³

7 As a result, certain PAC receipts were misclassified in two ways. First, contributions
8 made with a corporate credit card were incorrectly classified as PAC contributions.¹⁴ Second,
9 individual funds were incorrectly classified as PAC administrative account donations.¹⁵ In each
10 case, the funds were placed into an escrow account for distribution to the respective accounts.¹⁶
11 The chart below reflects the corporate receipts that were incorrectly deposited into the ICSC
12 PAC federal account rather than the administrative account:

2015	\$66,361
2016	\$81,130
2017	\$36,100
TOTAL	\$343,979 ¹⁸

1
2 ICSC's investigation also uncovered an additional \$9,850 in member PAC contributions that
3 ICSC retained in its general ledger account instead of transferring to the PAC's federal
4 account.¹⁹ Finally, ICSC's audit revealed that the PAC's disclosure reports understated the
5 amount in the PAC's bank account by \$73,216, and this error began occurring sometime before
6 2013. These understatements resulted in inaccurate disclosure reports from 2013 through
7 2017.²⁰

¹⁷ This transfer reflects an estimated amount. See Submission at 2; Supplemental *Sua Sponte* Submission of ICSC and ICSC PAC at 1 (July 9, 2018) ("Supplemental Submission"). ICSC states that for the unexplained \$73,217 amount in the federal account prior to 2013 it applied the same percentage (14%) of the total transfers during the 2013-2017 period that were impermissible ($\$73,217 \times .14 = \$10,250$). *Id.*

1 Respondents state that ICSC took a number of remedial steps, including: (1) transferring
2 \$343,979 in misdirected funds from the PAC's federal account to its administrative account;²¹
3 (2) transferring the \$9,850 in funds in ICSC's general ledger account to ICSC PAC's federal
4 account; (3) amending five years of disclosure reports;²² and (4) implementing additional
5 training and processes to ensure that future receipts are transferred into the proper account.²³

6 The Submission also details the preventive measures that Respondents made to avoid
7 committing these errors in the future. Specifically, ICSC PAC states that it has revised its online
8 membership renewals to clarify the individual or corporate status of the contributor.²⁴
9 Additionally, "all voluntary contributions from a mailed-in renewal response now are
10 automatically designated for the PAC's administrative account — *i.e.*, no ICSC employee needs
11 to decide whether a mailed-in check comes from an individual or corporation."²⁵ The
12 Submission further notes that ICSC retained another accounting professional to serve as a
13 consultant, and trained or re-trained staff to be more knowledgeable of FEC-related processes.²⁶

²¹ *Id.* at 2, 8, 10-11. ICSC PAC disclosed transferring \$35,740 on July 28, 2017, and \$308,599 on March 23, 2018. *See* ICSC PAC 2017 Year-End Report at 19 (Jan. 31, 2018); ICSC PAC 2018 April Quarterly Report at 19 (Apr. 15, 2018). These transfers total \$344,339, \$360 more than the transferred amount referenced in the Submission, \$343,979. In light of the small size of the difference and the fact that the transfer exceeds the referenced amount, we will apply the latter unless we obtain corrective information. *See* Second Supplemental *Sua Sponte* Submission of ICSC and ICSC PAC at 2 (Feb. 8, 2019) ("Second Supplemental Submission").

3 **B. Legal Analysis**

4 **1. Prohibited Contributions and Reporting Violations**

5 The Federal Election Campaign Act of 1971, as amended (the "Act"), prohibits
6 corporations from making contributions to political committees other than independent-
7 expenditure-only political committees ("IEOPCs") in connection with a Federal election, and it
8 prohibits political committees other than IEOPCs from knowingly accepting or receiving such
9 contributions.²⁸ However, the Act excludes from the definition of "contribution" a corporation's
10 payment of the costs incurred in the establishment, administration, and contribution solicitations
11 to an SSF utilized for political purposes.²⁹ The corporation may pay these costs directly or
12 deposit funds in a special separate administrative account used only to pay the SSF's
13 establishment, solicitation and administration costs, provided that it does not transfer corporate
14 funds into its SSF's federal account.³⁰

15 A political committee's disclosure reports must disclose the amount of cash-on-hand at
16 the beginning of each reporting period.³¹ A political committee's disclosure reports must also

²⁹ 52 U.S.C. § 30118(b)(2)(C); 11 C.F.R. § 114.1(a)(2)(iii). The Commission's regulations define the terms "establishment, administration, and solicitation costs" as the costs of office space, phones, salaries, utilities, supplies, legal and accounting fees, fundraising and other expenses incurred in setting up and running an SSF established by a corporation. 11 C.F.R. § 114.1(b).

³⁰ See 52 U.S.C. § 30118(b)(2)(C); see also 11 C.F.R. §§ 114.1(b) and 114.5(b).

³¹ See 52 U.S.C. § 30104(b)(1).

1 disclose all receipts and disbursements.³² Committee treasurers are responsible for the timely
2 and complete filing of disclosure reports and for the accuracy of the information contained
3 therein.³³

4 Respondents admit that ICSC PAC's federal account received impermissible
5 contributions from corporate sources totaling \$343,979. Further, the PAC acknowledges that its
6 reporting resulted in an incorrect cash-on-hand amount reported on each of ICSC PAC's
7 disclosure reports beginning with its 2013 February Monthly Report and continuing through its
8 2017 Year-End Report.³⁴ Accordingly, we recommend that the Commission find reason to
9 believe that the International Council of Shopping Centers, Inc. made, and the International
10 Council of Shopping Centers, Inc. Political Action Committee and Betsy R. Laird in her official
11 capacity as treasurer, accepted, corporate contributions in violation of 52 U.S.C. § 30118(a), and
12 that International Council of Shopping Centers, Inc. Political Action Committee and Betsy R.
13 Laird in her official capacity as treasurer violated 52 U.S.C. § 30104(b) by misreporting its cash-
14 on-hand.³⁵

15 2. Untimely Transfers

16 Every person who receives a contribution of \$50 or less for a political committee that is
17 not an authorized committee shall forward such contribution to the treasurer of the political
18 committee no later than 30 days after receipt.³⁶ Every person who receives a contribution in

³³ See 11 C.F.R. § 104.14(d).

³⁴ See Submission at 10.

³⁵ See MUR 6922 (ACA International) (the Commission found reason to believe ACA International violated 52 U.S.C. § 30118(a) by using \$23,419 in corporate funds to make contributions to its SSF via transfer).

³⁶ 52 U.S.C. § 30102(b)(2); 11 C.F.R. § 102.8(b)(1).

1 excess of \$50 for a political committee that is not an authorized committee shall, no later than 10
2 days after receipt of the contribution, forward to the treasurer of the political committee the
3 contribution along with other information about the contributor.³⁷ A corporation that collects
4 and transmits contributions to its SSF is acting as a "collecting agent" under Commission
5 regulations.³⁸ The collecting agent has certain obligations with respect to the transmittal of
6 contributions. Specifically, the full amount of each contribution collected shall be transmitted to
7 that fund within 10 or 30 days as required.³⁹ For contributions over \$200, the contributor's
8 occupation and employer must also be forwarded with the contribution.⁴⁰ The date of receipt of
9 the contribution is the date that the collecting agent obtains possession.⁴¹

10 SSFs are responsible for ensuring that collecting agents meet recordkeeping, reporting,
11 and transmittal requirements.⁴² As an SSF of ICSC, ICSC PAC was responsible for ensuring
12 that ICSC, its collecting agent for contributions stemming from membership renewals, timely
13 transferred such deductions to ICSC PAC within 10 or 30 days, whichever applied.⁴³

14 According to the *sua sponte* Submission, ICSC discovered that \$9,850 that it collected
15 from individual members designated for ICSC PAC's federal account was not transferred along

³⁷ 52 U.S.C. § 30102(b)(2); 11 C.F.R. § 102.8(b)(2).

³⁸ 11 C.F.R. § 102.6(b)(1)(ii). A collecting agent may be either: (i) a committee, whether or not it is a political committee, which is affiliated with the SSF; (ii) the SSF's connected organization; (iii) a parent, subsidiary, branch, division, department, or local unit of the connected organization; or (iv) a local, national, or international union collecting contributions on behalf of the SSF of any federation with which the union is affiliated. 11 C.F.R. § 102.6(b)(1)(i)-(iv).

³⁹ See 11 C.F.R. § 102.6(b)(1), (c)(4) and 11 C.F.R. § 102.8.

⁴⁰ 11 C.F.R. § 102.6(b)(1), (c)(4) and (5), and 11 C.F.R. § 102.8(b)(2); 52 U.S.C. § 30102(b)(2)(B).

⁴¹ 11 C.F.R. § 102.8(b)(2).

⁴² 11 C.F.R. § 102.6(c)(1).

⁴³ See 52 U.S.C. § 30102(b)(2) and 11 C.F.R. §§ 102.6(c)(4) and 102.8.

1 with other receipts.⁴⁴ While these funds were part of receipts processed from July 2013 through
2 February 2014, none were transferred to the appropriate account at those times.⁴⁵ Instead, these
3 monies were not transferred to ICSC PAC until January 30, 2018, nearly four years after the last
4 contribution was placed in ICSC's general ledger account, long after the 10- and 30-day transfer
5 time periods expired. Therefore, we recommend that the Commission find reason to believe that
6 the International Council of Shopping Centers, Inc. violated 52 U.S.C. § 30102(b)(2) and
7 11 C.F.R. §§ 102.6(c)(4) and 102.8(b) by failing to transmit funds from its general ledger
8 account within the appropriate timeframes.

9 Similarly, ICSC PAC did not ensure that ICSC forwarded contributions within the
10 required timeframes. Therefore, we recommend that the Commission find reason to believe that
11 the International Council of Shopping Centers, Inc. Political Action Committee and Betsy R.
12 Laird in her official capacity as treasurer violated 52 U.S.C. § 30102(b)(2) and 11 C.F.R.
13 § 102.6(c)(1) by failing to ensure that its collecting agent, International Council of Shopping
14 Centers, Inc., complied with the Act's transmittal requirements with regard to the funds
15 transferred from the general ledger account to ICSC PAC.⁴⁶

⁴⁴ Submission at 10.

⁴⁵ *Id.*

⁴⁶ See MUR 6468 (Empire State Regional Council of Carpenters) (the Commission found reason to believe against both the collecting agent and the SSF where the union, acting as the collecting agent, failed to timely transfer funds, and the SSF failed to ensure that the collecting agent complied with the law.).

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: International Council of Shopping Centers, Inc. MUR
International Council of Shopping Centers, Inc.
Political Action Committee, and Betsy R. Laird
in her official capacity as treasurer

I. INTRODUCTION

The International Council of Shopping Centers, Inc. ("ICSC") and ICSC Political Action Committee ("ICSC PAC") (collectively "Respondents") submitted a *sua sponte* submission ("Submission") acknowledging that ICSC improperly deposited into ICSC PAC's federal account corporate funds totaling \$343,979. Respondents also acknowledge the untimely transfer and deposit of PAC contributions and the inaccurate reporting of the PAC's cash-on-hand balances over a five-year period.¹ For the reasons discussed below, the Commission has found reason to believe that ICSC violated 52 U.S.C. §§ 30118(a) and 30102(b)(2) and 11 C.F.R. § 102.6(c)(4) and 102.8(b); and that ICSC PAC violated 52 U.S.C. § 30118(a), 30102(b)(2) and 30104(b) and 11 C.F.R. § 102.6(c)(1).

³ Submission at 3; ICSC PAC Amended Statement of Organization (Jan. 2, 2014).

1 As discussed in further detail below, the violations described in the submission largely
2 relate to two types of errors. First, corporate funds were improperly classified as PAC
3 contributions and deposited into the PAC's federal account instead of its administrative account.⁴
4 Second, individual contributions were improperly classified as administrative donations and
5 deposited into the PAC's administrative account.⁵ The source of the error was traced to ICSC's

7 PAC-related funds when members paid their annual association membership fees and

3 **III. LEGAL ANALYSIS**

4 **A. Prohibited Contributions and Reporting Violations**

5 The Federal Election Campaign Act of 1971, as amended (the "Act"), prohibits
6 corporations from making contributions to political committees other than independent-
7 expenditure-only political committees ("IEOPCs"), in connection with a Federal election, and it
8 prohibits political committees other than IEOPCs from knowingly accepting or receiving such
9 contributions.²⁷ However, the Act excludes from the definition of "contribution" a corporation's
10 payment of the costs incurred in the establishment, administration, and contribution solicitations
11 to an SSF utilized for political purposes.²⁸ The corporation may pay these costs directly or
12 deposit funds in a special separate administrative account used only to pay the SSF's
13 establishment, solicitation and administration costs, provided that it does not transfer corporate
14 funds into its SSF's federal account.²⁹

15 A political committee's disclosure reports must disclose the amount of cash-on-hand at
16 the beginning of each reporting period.³⁰ A political committee's disclosure reports must also

²⁸ 52 U.S.C. § 30118(b)(2)(C); 11 C.F.R. § 114.1(a)(2)(iii). The Commission's regulations define the terms "establishment, administration, and solicitation costs" as the costs of office space, phones, salaries, utilities, supplies, legal and accounting fees, fundraising, and other expenses incurred in setting up and running an SSF established by a corporation. 11 C.F.R. § 114.1(b).

²⁹ See 52 U.S.C. § 30118(b)(2)(C); see also 11 C.F.R. §§ 114.1(b) and 114.5(b).

³⁰ See 52 U.S.C. § 30104(b)(1).

1 disclose all receipts and disbursements.³¹ Committee treasurers are responsible for the timely
2 and complete filing of disclosure reports and for the accuracy of the information contained
3 therein.³²

4 Respondents admit that ICSC PAC's federal account received impermissible
5 contributions from corporate sources totaling \$343,979. Further, the PAC acknowledges that its
6 reporting resulted in an incorrect cash-on-hand amount reported on each of ICSC PAC's
7 disclosure reports beginning with its 2013 February Monthly Report and continuing through its
8 2017 Year-End Report.³³ Accordingly, the Commission has found reason to believe that the
9 International Council of Shopping Centers, Inc. made, and the International Council of Shopping
10 Centers, Inc. Political Action Committee and Betsy R. Laird in her official capacity as treasurer,
11 accepted, corporate contributions in violation of 52 U.S.C. § 30118(a), and that International
12 Council of Shopping Centers, Inc. Political Action Committee and Betsy R. Laird in her official
13 capacity as treasurer violated 52 U.S.C. § 30104(b) by misreporting its cash-on-hand.³⁴

³² See 11 C.F.R. § 104.14(d).

³³ See Submission at 10.

³⁴ See MUR 6922 (ACA International) (the Commission found reason to believe ACA International violated 52 U.S.C. § 30118(a) by using \$23,419 in corporate funds to make contributions to its SSF via transfer).

B. Untimely Transfers

Every person who receives a contribution of \$50 or less for a political committee that is not an authorized committee shall forward such contribution to the treasurer of the political committee no later than 30 days after receipt.³⁵ Every person who receives a contribution in excess of \$50 for a political committee that is not an authorized committee shall, no later than 10 days after receipt of the contribution, forward to the treasurer of the political committee the contribution along with other information about the contributor.³⁶ A corporation that collects and transmits contributions to its SSF is acting as a “collecting agent” under Commission regulations.³⁷ The collecting agent has certain obligations with respect to the transmittal of contributions. Specifically, the full amount of each contribution collected shall be transmitted to that fund within 10 or 30 days as required.³⁸ For contributions over \$200, the contributor’s occupation and employer must also be forwarded with the contribution.³⁹ The date of receipt of the contribution is the date that the collecting agent obtains possession.⁴⁰

SSFs are responsible for ensuring that collecting agents meet recordkeeping, reporting, and transmittal requirements.⁴¹ As an SSF of ICSC, ICSC PAC was responsible for ensuring

³⁶ 52 U.S.C. § 30102(b)(2); 11 C.F.R. § 102.8(b)(2).

³⁷ 11 C.F.R. § 102.6(b)(1)(ii). A collecting agent may be either: (i) a committee, whether or not it is a political committee, which is affiliated with the SSF; (ii) the SSF’s connected organization; (iii) a parent, subsidiary, branch, division, department, or local unit of the connected organization; or (iv) a local, national, or international union collecting contributions on behalf of the SSF of any federation with which the union is affiliated. 11 C.F.R. § 102.6(b)(1)(i)-(iv).

³⁹ 11 C.F.R. § 102.6(b)(1), (c)(4) and (5), and 11 C.F.R. § 102.8(b)(2); 52 U.S.C. § 30102(b)(2)(B).

⁴¹ 11 C.F.R. § 102.6(c)(1).

1 that ICSC, its collecting agent for contributions stemming from membership renewals, timely
2 transferred such deductions to ICSC PAC within 10 or 30 days, whichever applied.⁴²

3 According to the *sua sponte* Submission, ICSC discovered that \$9,850 that it collected
4 from individual members designated for ICSC PAC's federal account was not transferred along
5 with other receipts.⁴³ While these funds were part of receipts processed from July 2013 through
6 February 2014, none were transferred to the appropriate account at those times.⁴⁴ Instead, these
7 monies were not transferred to ICSC PAC until January 30, 2018, nearly four years after the last
8 contribution was placed in ICSC's general ledger account, long after the 10- and 30-day transfer
9 time periods expired. Therefore, the Commission has found reason to believe that the
10 International Council of Shopping Centers, Inc. violated 52 U.S.C. § 30102(b)(2) and 11 C.F.R.
11 §§ 102.6(c)(4) and 102.8(b) by failing to transmit funds from its general ledger account within
12 the appropriate timeframes.

13 Similarly, ICSC PAC did not ensure that ICSC forwarded contributions within the
14 required timeframes. Therefore, the Commission has found reason to believe that the
15 International Council of Shopping Centers, Inc. Political Action Committee and Betsy R. Laird
16 in her official capacity as treasurer violated 52 U.S.C. § 30102(b)(2) and 11 C.F.R. § 102.6(c)(1)
17 by failing to ensure that its collecting agent, International Council of Shopping Centers, Inc.,

⁴⁵ See MUR 6468 (Empire State Regional Council of Carpenters) (the Commission found reason to believe against both the collecting agent and the SSF where the union, acting as the collecting agent, failed to timely transfer funds, and the SSF failed to ensure that the collecting agent complied with the law.).
